Homecoming Activities Coordinated

Homecoming is just two weeks away!

Plans for all Homecoming Day activities, beginning with registration Armistice Day morning and climaxing with a dance that evening, were formulated Tuesday by interclub council members and Wayne Ingols, Homecoming general chairman.

Appointments Made

Alice Page, Alpha Gamma Sigma president, will take charge of the election of a queen and her attendants, assisted by Phil Trine. Ingols appointed President George Miljanich to work with the honor society, and handle coronation ceremonies. Miljanich will also supervise half-time activities at the game that afternoon, when the queen will be presented and trophy awarded for the best parade entry.

Roy Taylor was named parade chairman, and will be responsible for judges, reviewing stand, and co-

CENTENNIAL THEME

"Centennial" will be the theme of this year's Homecoming parade, it was decided this week. All clubs entering floats will be expected to dust off their '49ers and old nuggets so their entries will be in keeping with the theme.

ordinating and assembling the various floats before parade time. Clubs will meet this afternoon to nominate a queen candidate and discuss plans for float entries. Organizations must notify Taylor of their float plans not later than November 4.

Other appointments made were Bob Kensing, exhibits; Phil Trine, registration; Eleanor Schultz, refreshments at reception; Dewey Chambers, seating and decorations for game; Richard Cimino, master of ceremonies at dance and arrange for informal recital at reception; Gardner Pond, transportation; Tom Ford, publicity; Gardner Pond and Pat Pollock, radio publicity.

Election November 4

Homecoming activities begin with the election of the queen November 4. Run-offs will be held November 9, and the winner, who reigns over all Homecoming festivities, will be crowned November 10. Four runners-up will serve as her attendants.

Armistice Day will begin with registration of alumni, followed by the traditional parade down Main Street to the stadium, where Hartnell meets San Francisco City College.

The Alumni Association is planning a barbecue after the game, which will be followed by a reception in the home ec lounge and club exhibits in the cafeteria wing.

Report Given on Recent Student Union Meeting

Commissioners discussed Homecoming plans at Tuesday's meeting, and Pres. George Miljanich reported on a meeting of the student union committee.

Committee, which included Miljanich, Pres. John B. Lemos, Mr. Henry Cassidy, Mr. Richard Carlisle, Mr. Joaquin Market, Dr. Lucella Hall, and Evelyn Temmerman, met to discuss means of hastening the day when Hartnell will have a student union, and possibly dormitories for out-of-town students.

Members of the district board of trustees expressed approval of a union and dorms at a recent meeting, according to Miljanich, and "conclusive" steps may soon be taken. "The main point now," he said, "is to impress the board with exactly what we want in the way of a student union."

It was voted by commissioners to allow each club \$5 toward a Homecoming Day float. No club may spend more than a total of \$10 on its float, it was ruled.

Second Performance of "Angel Street" Tonight

First showing of "Angel Street" last night proved that it is everything it is "cracked up to be." The three lead roles held by Gloria Scroggs, Don LoPresti and Richard Cimino proved to be an example of smart casting on the part of the director, Mr. Harold Ulrici.

Don LoPresti plays the part of Mr. Manningham, and it is due to his fine acting that the suspense is carried throughout the play. Richard Cimino as Detective Rough turns in his usual excellent work. Cimino's diction never fails to impress the audience. Gloria Scroggs is cast in the part of Mrs. Manningham and it is the conflict between these three characters that forms the plot of the play.

Manningham's housekeeper is portrayed by Marguerite Sander. Jolene Brogden and Juledra Lewis

(Continued On Page 4)

RALLY AT 2 O'CLOCK

Rally for the Menlo game tonight will be held in the men's gym today at 2 o'clock, Dewey Chambers, head yell leader, stated. Game will be played in the Salinas high school stadium and kickoff time will be at 8 o'clock.

"Tabby" the cat, Hartnell's new mascot, will be on hand to heckle the enemy team and rooters. Last week "Tabby" went over bigger than his originators had planned. Rooters were delighted with his performance.

CLUBS MEET TODAY

Fasten on your roller skates, boys... the first runner reaching the main office will have the right to nominate his club's choice for Homecoming Queen. All clubs will meet this afternoon at 2:30 following the pre-Menlo game rally in the men's gym, to nominate a candidate and discuss plans for a float. As soon as members reach a decision, a runner will be sent to the office to turn in the nomination. If your queen has already been spoken for, nothing to do but go back and try again.

Ski Club Dance After Menlo Game

Skeletons will be stalking, witches will be flying about, and cornstalks will be plentiful. Yes, it is the big Ski Club Halloween dance tonight in the men's gym after the Menlo-Hartnell game. A popular band will be featured to make the evening complete, according to Marilyn Hendrix, general chairman of the affair.

Refreshments will be in accordance with the theme of the dance: cider, caramel apples, and popcorn balls. Paper hats will be distributed to all the students.

Said Marilyn: "This should be one of the outstanding dances of the year with all the committees working so hard on it." She also states that a booth will be set up to sign the late-comers into the club.

Tickets are on sale now from members of the Ski Club. The price is 75 cents a couple and 50 cents stag.

Barbara Ching is in charge of the refreshments, assisted by Marilyn Hendrix, Betty Lee, Arlene Hevrin, and Margie Wilkinson.

The music committee is headed by Naida Fisher, with Jackie Jury, Margie Woodworth, and Carol Stormment assisting her.

Gloria Scroggs will do the decorating, aided by her committee: Alice Page, Jean Steinbruner, Joann Cleveland, Marie Cominos, Beverly Heple, Phyllis Butters, Nancy Barden, Carole Ratten, Ted Wittwer, Marguerite Sander, Carla Adams, Virginia Vierra, Ron Ott, Marilyn Moore, and Peggy Ma-neely.

Clean-up committee is directed by Francis Scilacci, with Tom Mill, Marilyn Hendrix, Jack Bird, and John Skow assisting.

Dee Fosselman heads the publicity committee with Pat Pollock and Marilyn Moore assisting.

Avoid the Rush; Get Appointment For Soph Pictures

To avoid the last minute rush which will inevitably take place soon unless some action is taken, Camille Johnson, La Reata editor, urges all sophomores who have not already done so to have their picture appointments made immediately.

All pictures must be taken before Thanksgiving, but the appointment list must be finished earlier. For appointments, call 7214 and ask for Mr. Hurl Swartz. A \$1.50 deposit on the pictures is required.

Mr. Swartz' address is 15 Santa Rosa Street. Directions for getting there are: cut through Central Park to Park Street and go west on Park Street three blocks to Santa Rosa Street. Turn right. Mr. Swartz' residence is in this block.

As We See It

By PAT POLLOCK

Need for a student union at Hartnell has grown more apparent this semester with the substantial increase in enrollment figures.

A student union isn't, as some seemed to think when quizzed by a Sentinel inquiring reporter a couple of years ago, a "subversive organization." It isn't even along the lines of the C.I.O. or A.F.L. For the misinformed, it is a recreation room or building where students can gather during leisure hours.

For years, need for a union has been felt at Hartnell. It would answer the problem of students who have long hours of waiting between classes and no place to go. For one reason or another, though, plans for such a building have never been approved by the school board.

However, at a recent meeting of the district board of trustees, members discussed the possibility of both dormitories on campus and a union.

It was pointed out that some students leave home by bus at 6:20 a.m. and don't return home until 6 or 7 in the evening.

"Dorms would fill a needed spot on the campus," said Superintendent of Schools J. Frederic Ching. He also said that much thought is being given to the need of a student union.

So, it looks like some concrete plan for providing needed student facilities may be worked out soon, as board members plan to continue the discussion at a future meeting.

The important thing now is for the student union committee to present some definite plan to the board in order to let them know exactly what we need.

Homecoming

Long hours of planning and hard work will be put in before November 11 to insure a successful and smoothly run Homecoming Day. This year the commission will handle the day's events, assisted by Alpha Gamma Sigma and the interclub council, organized recently to coordinate activities of the various campus organizations.

It's rumored that last year some groups didn't even start working on their parade entries until the sun rose on Homecoming Day. Things like this, to put it mildly, lead to endless confusion and are why student body presidents get grey.

If all organizations will make an effort to get their entries, exhibits, etc., organized well ahead of time, it will make it a lot easier on those responsible to extend a welcoming hand to alumni on Armistice Day.

CAMPUSOLOGY

By BOB WHITE

FIELD DAY, THE MEN'S CLUB, ETC.

Field Day was interesting for the bystanders and enjoyable to those who entered the activities. The wheelbarrow race and the tug-o-war and mud brawl might be called spectacular. But the funniest thing to watch that day was the football game played by the women. The girls developed a keen sense of competition while they played. Being a little distrustful of the enemy team, they insisted on taking the ball into the huddle with them. A number of men watching the game decided to straighten out the girls on a few football rules and regulations, so they joined the game. After this happened, one girl, a dainty, frail little thing, went out and put a flying tackle on a big guy that was running with the ball. But she really hadn't meant to hurt him—she said she was sorry, didn't she?

Going back for seconds at the Men's Club dinner were _____ and _____.

Men's Club officers and advisor were still figuring Monday how much they made at the Men's Club dance Friday after the San Mateo game. Must have been quite a sum!

TABBY TAKES NINE LIVES

"Tabby" seemed to make a hit with people at the San Mateo game. The swarm of girls in the front row got a large bang when the poor cat lost his tail. "Tabby" said that he could not see very well part of the time because the mask got in the way. Perhaps it's a good thing because he probably would have fallen off the goal posts had he seen how the things were shaking. "Tabby" would probably be commended for his success by a lot of people... that is, if they knew who he was. Persons "in the know" are having fun keeping the secret. Purpose of all the mystery is to keep other schools from harming or stealing him. For instance, last year Yell Leader Loren Ingols was kidnaped by Santa Rosa. Ransom demanded by Santa Rosa was that Hartnell send 100 rooters up there to a football game.

"Railbirds" sounds suspiciously like the "yardbirds" of the U.S. Army. But there's a difference. "Yardbirds" pick UP cigarette butts.

Dewey Chambers, head yell leader, is willing to bet his bottom dollar that "we are bound to win the Menlo game if the team gets the support it had last week at the San Mateo game." Chambers notes a marked improvement in the attendance and the yelling in the cheering section.

Flyers Prepare For Dance

Sid Lewis will provide the music for the Flying-Club-sponsored dance next Friday, November 4, club president Frank Armbruster reported today.

Friday will be a busy night for Flying Club members because they will handle the concessions at the

Santa Clara Frosh game and after the game will have to come back to the college to take charge of the dance.

Decoration plans will not be definitely set until next week, Armbruster disclosed.

Dancing will be in the men's gym from 11 to 1 o'clock following the Santa Clara game. Admission to the dance will be 75 cents per couple and 50 cents stag.

National Guard Present Display

In an effort to bring new members into their organization, the National Guard of this area offered Hartnell College students a variety of things to do last Thursday and Friday. Students were invited to attend free movies shown at the Salinas armory on Thursday evening from 7:30 p.m. to 11 p.m.

Also on Thursday the guard presented a display of military weapons and tanks in the rear of the college at the smoking area. This exhibit was shown from 11:15 a.m. to 1:15 p.m.

Those who wished to ride in the rumbling giants were taken to the tanks by truck from the campus.

Women Design Own Apparel

What's new in the home economics classes?

According to Miss Mildred Novotny, advisor of the groups, the clothing classes are progressing quite well. The girls have recently finished their first project, which was school skirts. The skirts were on display in the home economic display window last week. They are now working on blouses and some girls are even making shirts for the fellows. Next, according to Miss Novotny, the girls will take up the intricate job of making their own dresses.

In the home furnishing classes the girls are studying fabrics, and good taste in home decorations.

Honor Society Votes In Officers

Alpha Gamma Sigma held a business meeting and initiation in the home economics living room recently. At this time, election of officers for this semester was held.

Heading the group will be Alice Page, new president. Other officers: vice-president, Frank Davis; secretary, Rose Chiurato; treasurer, Martin Girotti.

New initiates into the group include Wakichi Asano, Frank Davis, Frank Hazleton, Elizabeth Keller, Florence Lawrence, Evelyn Temmermand, Patricia Wagoner, James Willcox, and Kenneth Wilson.

Westminster Has Picnic, Election

At their hot dog feed held last Tuesday at Central Park, the Westminster Club elected Allen Olsen their president. Other officers elected at the same time were Jackie Jury, treasurer; and Barbara Abeloe, secretary.

Central Park was crowded with members and prospective members, and the members discussed activities for the coming year. The club plans to have different denominations sponsor meetings during the coming year and present the program for that year.

On the Left - Er, Right - "Tabby"

"Tabby," the cat on the right, looks considerably milder than his friend, Hartnell's Panther. The college's new mascot, "Tabby," made his debut at the San Mateo game last week end. His identity is being kept top secret to insure his "safety." — Photo by Lew Patterson

"TRINE" STOP ME

By PHIL TRINE

Ah, for the life of the reporter who gets the assignment to obtain the vital statistics on the Homecoming Day queen entrants. Why is it somebody else is always picked for the job. It's common to read glowing articles of what "splendid and glorious" fun was had by said reporter in acquiring these enlightening facts.

Every time you read the charts of these lovelies it always says 34-24-34. Of course, I'm not one to doubt the authenticity of these reports but it seems to me there ought to be more variation in the statistics. Somewhere I read that these measurements are those of a perfect woman — and everybody isn't perfect — or are they?

That hollerin' and bellerin' that was heard the other day in the Little Theater smoking area was just a few students loosening their vocal chords. They showed amazing ability in never hitting the tune or even giving it a scare. Although I've never heard a worse choral group, I'm not saying there isn't. Among those participating in the songfest were RICHARD CIMINO, BOB GROSSI, JOANN GLAGE, JANET CHRISTMAS, and CAROLYN McQUILLAN.

These cold, frosty mornings produce a mad scramble by students to occupy the seat next to the heater in the school bus. TED WITTWER, MALCOLM CAMPBELL, and Bill WALKER all were leading the procession until the other morning. Seems things got a little hot but bus driver LEE JARVIS was requested to leave the heater on despite the leagued protests of this "hot trio." By the time the threesome alighted in Salinas they were pretty well "burned up."

Frosh Class To Be Shot

Freshman class members will be lined up and shot Wednesday, Nov. 9, on the little lawn between the chemistry room and the Little Theater.

Before visions of the grass running red are conjured, it should be explained that the mass mayhem will be done with a camera by members of La Reata staff. Shooting schedule is listed below:

9:15—Robert Abell to William Bell.

9:30—Ruby Bennett to Evelyn Buckingham.

9:45—Betty Buker to Jerry Cooper.

10:00—Edwin Copley to David Fant.

10:15—Joan Farnsworth to Joann Gray.

10:30—Ruth Gray to Bill Horsley.

10:45—Shirley Howard to Ada Kasje.

11:00—James Kimball to Herman Luchessa.

11:15—Lois Lyons to Robert Moore.

11:30—Winston Moore to Frank Paz.

11:45—Roy Pellascio to Bob Ryan.

1:15—Robert Samuels to Barbara Stebbins.

1:30—Jesse Stidham to Virginia Vierra.

1:45—LeRoy Viglicca to Johnny Wong.

2:00—Ronald Wong to Kitty Young.

Also, all students unable to be in the regular group because they were not on the campus at the time the picture was taken.

Men Purchase Camera for School

A 35-mm. camera has been purchased by the Hartnell College Men's Club for the use of student body and faculty members who wish to take pictures with it. According to Mr. Richard Carlisle, faculty advisor to the group, the plans for the use of the camera are still in the development stage.

One suggested plan for using the camera has been considered by the club. This plan would have students and faculty pay a fee of \$1 for the privilege of using the camera. The club has made arrangements to purchase bulk film and thus save money on the expense of the buying of film by the individual.

Twenty-five cents for each 36 exposures would be made by the club. The original \$1 fee would be used toward the eventual payment of the first camera. The group would then be able to buy a second camera if they desire to do so.

First use of the camera was made at Field Day last week.

HOMEcoming . . .

(Continued From Page 1)

Later in the evening there will be class reunions and entertainment in the Little Theater. Last event on the program is a dance in the men's gym.

Diamond Field Being Returfed

Last Monday, operations started for the returfing of the outfield for the baseball diamond. Jess Regli, baseball mentor, hopes that the job will be finished before season starts. Graders are rolling the old turf up like a carpet, and new grass is to be planted by seed.

The grass that now stands is "bunch" grass which is very rough and bumpy making it hard for an outfielder to judge a ground ball.

The new grass is to extend for 330 feet in left field, 420 feet in centerfield, and 300 feet in right field. Coach Regli said also that the grounds between the gym and football field is to be returfed next year.

HARTNELL DROPS TOUGH ONE TO SAN MATEO BULLDOGS, 13-20

Hartnell's Panthers lost their second league encounter of the season last Friday evening. The Panthers played good and alert football but they were the recipients of bad breaks at the wrong time. San Mateo capitalized, as a good team should, on what breaks they got to win 20-13 in the closing minutes.

One of the outstanding performances of the evening was that of Hartnell's Bill Whited. He caught six of Bob Swan's accurate aeriels for one touchdown and better than 150 yards. Bill also played a fine defensive game for the Panthers. Others that looked good during the course of the evening were Jim Miyasato, Fred Manteufel, Gary Robinson, and Bob Burton. San Mateo's big fullback, Bill Calhoun, played well for the winners.

After trailing at the half, the Panthers returned to the fray to take a 13-7 lead in the third pe-

riod. As the fourth period arrived the Panthers put on a sustained drive that threatened to bog down on the Bulldog 25. During the course of the drive, the Panthers could do no wrong.

Every play that they tried gained yards, however the Panthers were faced with fourth down and two on the San Mateo 25. Fred Manteufel went straight off left guard on a play that was calculated to make the first down and little, if anything, more. Freddie took the ball and went through the line like a shot out of a cannon. The entire San Mateo secondary managed to stop him on the four.

The Panthers had the clinching TD in their grasp when a series of bad breaks foiled them. Three penalties, two of them for 15 yards, put the Panthers way out on the 40 and they had to kick on their fourth down.

Menlo Oaks Here Tonite; Panthers "Crucial Game"

BILL KEY WILL CAPTAIN PANTHERS

Tonight Hartnell will meet one of the toughest teams in the league when they meet the "Oaks" from Menlo. For the last several years Menlo has consistently fielded a strong team.

Last year, in a very hard-fought battle, the final score was Hartnell 27, Menlo 18. This team

that was beaten for the first time in three seasons, won its third straight championship in the old "B" league.

The Oaks are coached by Roy Hughes, a graduate of the University of Oregon, who starred in basketball. After coaching two years at Monterey high school he went to Menlo in 1938 as head basketball and assistant football coach. In 1942, he became head football coach, but in midseason he left to enter the navy. Returning in 1946, his '46, '47, and '48 football teams won championship honors in the old "B" division of the N.C.J.C. conference. Both of his assistant coaches, George Prouse and Pete Rohrer, were on his 1946 team.

To date Menlo has won three games while dropping one: Menlo 32, Hamilton Field 6; Menlo 14, S.F. City College 20; Menlo 19, Modesto J.C. 2; Menlo 20, Monterey 13.

This week the Panthers are continuing their strenuous conditioning exercises that were started last week. The fact that the team was in its best shape of the season was shown against San Mateo, when they were in excellent condition throughout the game.

Both coaches are determined that the team shall be one of the best conditioned in the league. There are several reasons for this strategy, but the main one is that a well-conditioned team has few injuries.

As last week's fans could testify, it gives a person a feeling of apprehension to see a player carried off the field. Two of San Mateo's players left the gridiron in this manner; one with an injured leg and back, and the other with a torn shoulder and a brain concussion. So far Hartnell's injuries have been only knees and elbows.

After losing two close games in a row that they should they should have won, the Panthers are pointing for this game with determination. Beating Menlo would really be a feather in the Panthers' cap.

Last year, when Hartnell beat Menlo, the Panthers brought home the traditional "spittoon" which the winner always receives after the game. Hartnell has the trophy which will be presented to the winning team after the game.

Coach Wilson has announced that this week's game captain is to be Bill Key, who was acting captain for Ed Dysle in last week's game.

KEY MEN STILL ON SICK LIST

Tonight flashy halfback Bill Walker will most probably see action for the first time since the Bakersfield game in which he was the big gun in the Panther running attack. In the second half of that game Bill was helped off the field when a tackle badly wrenched his knee.

Bill was on crutches for a few days and then was hobbling around the campus like he had a wooden leg. Last week was the first time Walker was able to dress in sweat clothes and he started to limber up gradually. Even as early as last Monday, Bill, with his bad leg, could outrun everyone on the team, with the exception of Bill Whited. His appearance in the lineup is a definite threat to any opposing team.

Ed Dysle, all-American guard, is finished with the game of football for life. It was learned just before the San Mateo game that an old spine injury received in 1945 had been severely aggravated in the Stockton game. The doctor said any further participation in football could either cripple him for life or be fatal. So the team and school can only say, "Thanks, Ed."

Loren Green, all-conference candidate at guard, may not see action for the rest of the season. Green, a 10.5 century man, was one of the fastest men on the team and very valuable. He was injured in the John Muir game and then reinjured in the Bakersfield game. He has not played since.

Another injured player is Joe Oliveira, veteran of last year, and a stand-out on defense. Joe injured his knee when he tackled one of Bakersfield's fast backs out of bounds, and fell on the line-marker equipment. Joe, also, has not seen action since the Bakersfield game, and his presence in the lineup would help immeasurably.

ANGEL STREET . . .
